ADV2024_365 Oracle Security Advisory (18th October 2024)

Oracle has published a security advisory to address vulnerabilities affecting the following products between October 15, 2024. It is recommended that you take the necessary precautions to ensure your products are always protected.

- Oracle Analytics
- Oracle Commerce
- Oracle Communications Applications
- Oracle Communications
- Oracle Enterprise Manager
- Oracle Financial Services Applications
- Oracle Fusion Middleware
- Oracle Hospitality Applications
- Oracle Systems
- Oracle SQL

For more information on these updates, you can follow this URL:

https://www.oracle.com/security-alerts/cpuoct2024.html

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
