Guyana National Computer Incident Response Team

## ADV2025\_245 SUSE Linux Security Advisory (August 5th, 2025)

SUSE Linux has published a security advisory highlighting vulnerabilities in the following products on July 8th, 2025. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- SUSE Linux Enterprise Micro 5.5
- SUSE Linux Enterprise Server 15 SP6
- SUSE Manager Proxy 5.0 Extension
- SUSE Manager Retail Branch Server 5.0 Extension
- SUSE Manager Server 5.0 Extensions

For more information on these updates, you can follow this URL:

[Security update for Multi-Linux Manager 5.0: Server, Proxy and Retail Server](#)

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
