

## ADV2025\_39 Mozilla Security Advisory (12th February 2025)

Mozilla has published a security advisory to address vulnerabilities affecting the following product on February 4, 2025. It is recommended that you take the necessary precautions to ensure your products are always protected.

- Thunderbird – versions prior to 135
- Thunderbird ESR – versions prior to 128.7
- Firefox ESR – versions prior to 128.7
- Firefox ESR – versions prior to 115.20
- Firefox – versions prior to 135

For more information on this update, you can follow this URL:

<https://www.mozilla.org/en-US/security/advisories/>

The Guyana National CIRT recommends that users and administrators review this update and apply it where necessary.
