Guyana National Computer Incident Response Team

## ADV2025\_350 Mozilla Advisory (October 4th, 2025)

Mozilla published security advisories to address vulnerabilities in the following products between September 28<sup>th</sup> and September 30<sup>th</sup>, 2025. It is recommended that you take these necessary precautions by ensuring your products are always updated.

- Firefox – versions prior to 143.0.3
- Firefox for iOS – versions prior to 143.1

For more information on this update, you can follow this URL:

- [Security Vulnerabilities fixed in Firefox 143.0.3](https://www.mozilla.org/en-US/security/advisories/mfsa2025-80/)
- [Security Vulnerabilities fixed in Firefox for iOS 143.1](https://www.mozilla.org/en-US/security/advisories/mfsa2025-79/)
- [Mozilla Security Advisories](https://www.mozilla.org/en-US/security/advisories/)

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
