

ADV2024_18 GitLab Security Advisory (26th January 2024)

GitLab has published a security advisory to address vulnerabilities affecting the following products on January 25, 2024. It is recommended that you take the necessary precautions to ensure your products are always protected.

- GitLab Community Edition (CE) – multiple versions
- GitLab Enterprise Edition (EE) – multiple versions

For more information on these updates, you can follow this URL:

[GitLab Critical Security Release: 16.8.1, 16.7.4, 16.6.6, 16.5.8](#)

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
