ADV2025_367 Dell Security Advisory (October 14th, 2025)

Dell has published a security advisory highlighting vulnerabilities in the following products between October 06th, 2025 and October 12th, 2025. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- SupportAssist for Home PCs – version prior to 4.8.2.29006
- SupportAssist for Business PCs – version prior to 4.5.3.25254

For more information on this update, you can follow this URL:

- [DSA-2025-362: Security Update for Dell SupportAssist for Home PCs and Dell SupportAssist for Business PCs vulnerabilities](#)
- [Dell Security advisories and notices](#)

The Guyana National CIRT recommends that users and administrators review this update and apply it where necessary.
