ADV2025_98 Veeam Security Advisory (April 1st, 2025)

Veeam has published a security advisory to address vulnerabilities in the following product on March 19th, 2025. It is recommended that you take the necessary precautions to ensure your products are always protected.

- Veeam Backup & Replication — all versions 12 prior to build 12.3.1.1139

For more information on these updates, you can follow this URL:

[Veeam Security Advisory – kb4724](#)

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
