Guyana National Computer Incident Response Team

## **ADV2026\_52 Android Security Advisory-2026 Monthly Rollup (February 4th, 2026)**

Android published a security advisory highlighting vulnerabilities in the following products on February 2, 2026. It is recommended that you take the necessary precautions by ensuring your products are always updated.

For more information on these updates, you can follow this URL:

- [Android Security Bulletin](#)

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
