ADV2025_257 Splunk Security Advisory (August 6th, 2025)

Splunk has published a security advisory highlighting vulnerabilities in the following products on August 6th, 2025. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- Splunk AppDynamics On-Premises Enterprise Console – versions prior to 25.4.0
- Splunk AppDynamics Cluster Agent – versions prior to 25.6.0

For more information on these updates, you can follow these URLs:

- Third-Party Package Updates in Splunk AppDynamics On-Premises Enterprise Console - August 2025
- Third-Party Package Updates in Splunk AppDynamics Cluster Agent - August 2025
- Splunk Security Advisories

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
