ADV2025_224 JavaScript Form-Data Security Advisory (July 28th, 2025)

JavaScript has published a security advisory highlighting vulnerabilities in the following products on July 22nd, 2025. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- Form-data library – versions prior to 2.5.4
- Form-data library – versions 3.0.0 to 3.0.3
- Form-data library – versions 4.0.0 to 4.0.3

For more information on these updates, you can follow this URL:
