

# CIRT.GY

Guyana National Computer Incident Response Team

## **ADV2025\_61 Mozilla Security Advisory (21st February 2025)**

Mozilla has published a security advisory to address vulnerabilities affecting the following product on February 18, 2025. It is recommended that you take the necessary precautions to ensure your products are always protected.

- Firefox – versions prior to 135.0.1

For more information on this update, you can follow this URL:

<https://www.mozilla.org/en-US/security/advisories/mfsa2025-12/>

The Guyana National CIRT recommends that users and administrators review this update and apply it where necessary.
