ADV2025_341 IBM Security Advisory (September 30th, 2025)

IBM published a security advisory highlighting vulnerabilities in the following products between September 22nd and 28th, 2025. It is recommended that you take these necessary precautions by ensuring your products are always updated.

For more information on this update, you can follow this URL:

- [IBM Product Security Incident Response](#)

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
