ADV2026_41 SolarWinds Security Advisory (January 31st, 2026)

SolarWinds published a security advisory highlighting vulnerabilities in the following products on January 28th, 2026. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- SolarWinds Web Help Desk – versions prior to 2026.1
- SolarWinds Web Help Desk – version 12.8.8 HF1 and prior

For more information on these updates, you can follow this URL:

- SolarWinds Security Vulnerabilities

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
