ADV2025_100 Atlassian Security Advisory (April 2nd, 2025)

Atlassian has published a security advisory to address vulnerabilities affecting the following products on March 18th, 2025. It is recommended that you take the necessary precautions to ensure your products are always protected.

- Bamboo Data Center and Server – multiple versions
- Bitbucket Data Center and Server – multiple versions
- Crowd Data Center and Server – multiple versions
- Jira Data Center and Server – multiple versions
- Jira Service Management Data Center and Server – multiple versions

For more information on these updates, you can follow this URL:

[Atlassian Security Bulletin - March 18 2025](#)

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
