ADV2025_314 Atlassian Security Advisory (September 4th, 2025)

Atlassian has published a security advisory highlighting vulnerabilities in the following products on August 19th, 2025. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- Bamboo Data Center and Server – multiple versions
- Bitbucket Data Center and Server – multiple versions
- Crowd Data Center and Server – multiple versions

For more information on these updates, you can follow these URLs:

- Security Bulletin - August 19 2025
- Atlassian Security Advisories and Bulletins

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
