Guyana National Computer Incident Response Team

## ADV2025\_185 Grafana Security Advisory (July 4th, 2025)

Grafana has published a security advisory highlighting vulnerabilities in the following products on July 2nd, 2025. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- Grafana Image Renderer – versions prior to 3.12.9
- Synthetic Monitoring Agent – versions prior to 0.38.3

For more information on these updates, you can follow this URL:
