Guyana National Computer Incident Response Team

## **ADV2024\_390 Microsoft Edge Security Advisory (26th November 2024)**

Microsoft has published a security advisory to address vulnerabilities affecting the following products on November 21, 2024. It is recommended that you take the necessary precautions to ensure your products are always protected.

- Microsoft Edge Stable Channel – versions prior to 131.0.2903.63

For more information on these updates, you can follow this URL:

<https://learn.microsoft.com/en-us/DeployEdge/microsoft-edge-relnotes-security#november-21-2024>

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
