

ADV2024_63 Drupal Security Advisory (7th March 2024)

Drupal has published a security advisory to address vulnerabilities affecting the following product on March 6, 2024. It is recommended that you take the necessary precautions to ensure your products are always protected.

- Registration role module – versions 2.x prior to 2.0.1

For more information on this update, you can follow this URL:

[SA-CONTRIB-2024-015 \(Registration role - Access bypass\)](#)

The Guyana National CIRT recommends that users and administrators review this update and apply it where necessary.
