

ADV2024_271 Android Security Advisory (8th August 2024)

Android has published a security advisory to address vulnerabilities affecting Android devices on August 5, 2024. It is recommended that you take the necessary precautions to ensure your products are always protected.

For more information on these updates, you can follow this URL:

<https://source.android.com/docs/security/bulletin/2024-08-01>

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
