

## ADV2025\_14 Dell Security Advisory (January 23rd, 2025)

Dell has published a security advisory highlighting vulnerabilities in the following product between January 13th and 19th, 2025. It is recommended that you take the necessary precautions by ensuring your products are always updated.

- Dell Open Manage Network Integration – versions prior to 3.7

For more information on this update, you can follow these URLs:

- [Dell Security Advisory DSA-2025-035](#)
- [Dell Security advisories and notices](#)

The Guyana National CIRT recommends that users and administrators review this update and apply it where necessary.
