

ADV2024_275 F5 Security Advisory (13th August 2024)

F5 has published a security advisory to address vulnerabilities affecting the following products on August 8, 2024. It is recommended that you take the necessary precautions to ensure your products are always protected.

- BIG-IP – multiple versions and models
- Traffix SDC – versions 5.2.0 and 5.1.0

For more information on these updates, you can follow this URL:

<https://my.f5.com/manage/s/article/K000140620>

The Guyana National CIRT recommends that users and administrators review these updates and apply them where necessary.
